Frequently Asked Questions

0. How manages this list?

This list is managed directly by Living Cartoon Company. There is no third party; Listmonk is a free and open source service, which you can run yourself! This means:

1. Your privacy is paramount! Thank you for trusting me.
2. I will never disclose your info, ever.
3. Emails are relayed through MXroute, which is a solid provider. I chose them for this exact purpose.

1. When will I receive the next email?

I don't send out automated welcome emails, or spam your inbox. You will receive our very next newsletter campaign **the moment we write and publish it**.

2. How often do you send newsletters?

I am aiming for approximately **once a month**, twice if I include episode announcements, but I am notoriously low traffic.

3. I haven't received anything yet. Is it broken?

If an email **did** go out and you don't see it yet, please check your **Spam** or **Promotions** tab. To make sure our emails always land safely in your primary inbox, add our “From” email address to your trusted contacts list.

4. Can I read past newsletters?

Currently, there is no public archive. This page will be updated as that gets clarified.

5. How do I change my preferences or unsubscribe?

Every single email we send includes a personal link in the footer. You can click **Manage Preferences**

to change which lists you are on, or click **Unsubscribe** to instantly leave—no hard feelings!
