- Aphex Twin field guide is available and offers an additional 5,000 words alongside many hours of music for Premium subscribers, and anonymous readers, to check out. It is an experiment in trying to make this wiki truly useful, beyond functioning as a rolodex of interesting tools, to offer deeper insights and relations across many areas of interest. Hope you enjoy! This is not meant as an essay, so much as a reference you might browse again and again, without the traditional constraints of being squeezed into a podcast episode, plus the wiki page can continuously refine over time!
