Description:

Join the live recording of **LINUX Unplugged**, an annual LinuxFest Northwest tradition. Chris Fisher and Wes Payne bring their signature mix of insight, humor, and community energy to the stage for a full hour of conversation, surprises, and audience participation.

Whether you're a longtime listener or brand new to the show, this is your chance to be part of the recording, connect with fellow Linux enthusiasts, and experience the show's unique blend of storytelling and open-source spirit — live and in person.

Target Audience:

- Everyone at LFNW
