Would it make sense to meet together?

- Lunch Time meet on Friday.
- Evening Social Hour. 30 - 60 minutes. An option besides walking to the bars.
    - End of day, in the lounge.

For?

- In-person meet and greet.
- Share your SeaGL impressions
    - Optionally record quick impressions for Linux Prepper podcast or to share with SeaGL.
- Share your personal project
- SSH Key signing
- Matrix Verification
- GPG Signing

Add Suggestions

Where would we meet for Lunch?

Other things to consider?

Morning meet?

Offer presentations? James has a small projector we could rig up.
